

EFFECTIVE LEADERSHIP

for middle managers

Do you have Emotional Intelligence?

ILM Level 5 Award or Cert in Leadership and Management

- Core leadership theories
- Motivation theories
- Emotional intelligence
- Communication theory
- Professional presentations
- Organisational Culture

Programme

Workers with high Emotional Intelligence are better able to work in teams, adjust to change and be flexible. They are better at motivating staff and delegating. The Effective Leadership programme explores theories of leadership and management in relation to building emotional intelligence in order to develop leaders' abilities to communicate clearly and manage conflict in the workplace.

Course open to men and women. Come by our office to learn more, a warm welcome and tea/coffee awaits you.
